SENATOR BARNETT: Mr. President, members of the Legislature, I have to, I wanted to agree there with Senator Syas. I think your premature Senator Carpenter on your motion. I'd agree to do it at another time, but we're not listed. We don't have any of the A bills listed. We have to look on the board. We don't have, I would say that if you wanted to do it later on this afternoon or tomorrow morning after they can compile a list, the motion would be alot more in order and I'd agree with you. I think you've said it well, that you'll vote against your own motion and I would hope everybody else did to.

SENATOR CARPENTER: Thursday morning. That will give everybody a chance to contact your friends ---

SENATOR BARNETT: I think that is alot better.

SENATOR CARPENTER: I'll make the motion on Thursday morning. I'll ask the clerk to hold the motion to advance and make it on Thursday morning.

PRESIDENT: All right. Are there any objections to holding that motion until Thursday morning. Hearing none, so ordered. Now we have a motion held over, Senator Whitney, there is nothing before the house. Thank-you sir. The board is once again clear. We're ready for the bills on final, excuse me on select file. Senator Cavanaugh, shoot.

SENATOR CAVANAUGH: Mr. President, I think Senator Lewis has, he asked me to hold for an amendment on LB 23.

PRESIDENT: Well, we'll by pass it then for now. That's fine.

SENATOR CAVANAUGH: I don't know if Senator Lewis is ready to go with 172?

PRESIDENT: Senator Lewis.

SENATOR LEWIS: I asked that that be passed over again this morning.

PRESIDENT: What a minute, was it Richard Lewis on 23 and Frank Lewis on 172, right?

SENATOR CAVANAUGH: Right.

PRESIDENT: Your by, your asking to by pass 172 now again. All right. We'll start with 311 then.
